

REFLECTION ON PROJECT SCOPING

1. The project scoping process helped me develop a deeper understanding of the problem my team is addressing.

1	2	3	4	5
Strongly disagree	Disagree	Neutral	Agree	Strongly agree

2. The project scoping process helped me identify factors that could influence the success of the project.

1	2	3	4	5
Strongly disagree	Disagree	Neutral	Agree	Strongly agree

3. Compared to previous project-based assignments, the project scoping process changed my approach to projects.

1	2	3	4	5	N/A
Strongly disagree	Disagree	Neutral	Agree	Strongly agree	No prior class/clinic project experience

4. What aspect(s) of the project scoping process was most valuable to you, and why? Please explain with examples.
