

TEAM COLLABORATION

Project title:

--

1. Team roles and contributions

For each team member, briefly describe their primary role and responsibilities.

Team member	Role	Responsibilities

2. Team functioning

Rate your team's performance on each criterion below.

1: Strongly Disagree 2: Disagree 3: Neutral 4: Agree 5: Strongly Agree

Criteria	Rating (circle one)
Communication: We share updates, questions, and concerns openly and address disagreements constructively.	1 2 3 4 5
Equitable workload: Responsibilities are fairly distributed among team members.	1 2 3 4 5
Stakeholder-centered decision making: We consider stakeholder needs and feedback when making project decisions.	1 2 3 4 5
Adaptability: We revise our assumptions or approach when new information becomes available.	1 2 3 4 5
Meeting effectiveness: Our meetings are productive and result in clear next steps.	1 2 3 4 5

TEAM COLLABORATION

3. Team reflections

Describe one important decision your team made during this review period. What information, feedback, or evidence influenced that decision, and how did it affect your project?

Maximum 500 words
